We, as the authors of this manuscript, understand and confirm that;

- we declare no **conflicts of interest**, which was also stated in the manuscript.
- an **iThenticate** similarity report was provided for the manuscript during the first submission, and that the review process will not start without the declaration of this report.
- generative AI** was not used, or any use of generative AI was declared by adding a statement to the acknowledgements section of the manuscript (*please refer to the author guidelines for declaration statement*).
- all authors undertake all responsibility for the improper use of **generative AI**, and understand that if the Editor detects the use of AI without disclosure during the submission, or an inappropriate use of AI such as the generation of incorrect text or content, plagiarism or inappropriate attribution to prior sources, the Editor reserves the right to reject the submission at any time during the publishing process.
- they transfer all **copyright** ownership in and relating to this Work, in all forms and media, in the event that the manuscript published. The agreement will be null if the manuscript is not published by the journal.
- their **Work** is original, is not under consideration by another journal or publication site, and has not been previously published.
- a one-time **Article Processing Charge (APC) of €1100** applies to cover the costs of manuscript processing, comprehensive copyediting and proofreading, formatting and layout, and digital archiving. The APC applies when a manuscript is accepted after peer review, before it gets published, and it is payable by the author(s), institution or funding body in 7 days after the journal contacts the corresponding author about the acceptance of the paper. Invoices are emailed shortly after acceptance to the payment contact provided by the authors. Only official invoices issued by **Universitepark Ltd** are valid. We do not authorize any third party to collect the APCs, so Universitepark Ltd. cannot be held liable for actions by third parties. Local VAT or Sales Tax will be added if applicable. For wire transfers, the publisher asks the customer to pay the fees for both the sender and the recipient bank to receive the full invoiced amount.
- it is the authors' responsibility to submit their work in **correct English**. The APC does not include extensive English editing.

On behalf of all authors, I, as the corresponding author, certify that all authors approved the plan to submit to **Educational Process: International Journal**, the contents of the manuscript, the statements of data access, and being listed as an author. The author statements included in this paper are all correctly marked, and have been approved by all authors.
